The Ventura Police Community Foundation, along with our partners and members, are pleased to announce our second annual *Heroes Among Us Celebration Gala*. The event to be held on November 2<sup>nd</sup> has two focuses – first to recognize and honor community individuals or groups, who through their personal or professional life, have displayed selflessness, dedication and compassion, making a positive impact to the city of Ventura. And second to raise funds which will then support the Foundations ongoing efforts to foster and support programs and initiatives that strengthen a safe community and enhance the quality of life in Ventura.

It is our goal to partner with other Ventura individuals and businesses to show a united front as we honor some of our local heroes and in order to have a successful evening.

We would like to ask you to consider partnering with us to help sponsor our event. By giving to the Ventura Police Community Foundation, you'll be able to help us host this special event as we honor our local Heroes, and as members of the Foundation and the Ventura Police Department provide programs for our community. Some of these programs include afterschool programs providing a safe and structured environment, athletic programs for at-risk teens, initiatives to provide our police officers with life-saving resources, and support for victims of crimes.

There are several ways that you may choose to participate with us through our tiered Sponsorship Packages. Please see the attached page with opportunities and benefits provided.

We hope that we can count on your help to make this year's event a success, helping to set the foundation for many years to come!

Thank you for your consideration! We hope to see you at the Heroes Among Us Celebration Gala.

Sincerely,
